

VIZOR-X

COMPOSITES

QUALITY CRAFTSMANSHIP YOU CAN TRUST

A trusted name for Composites

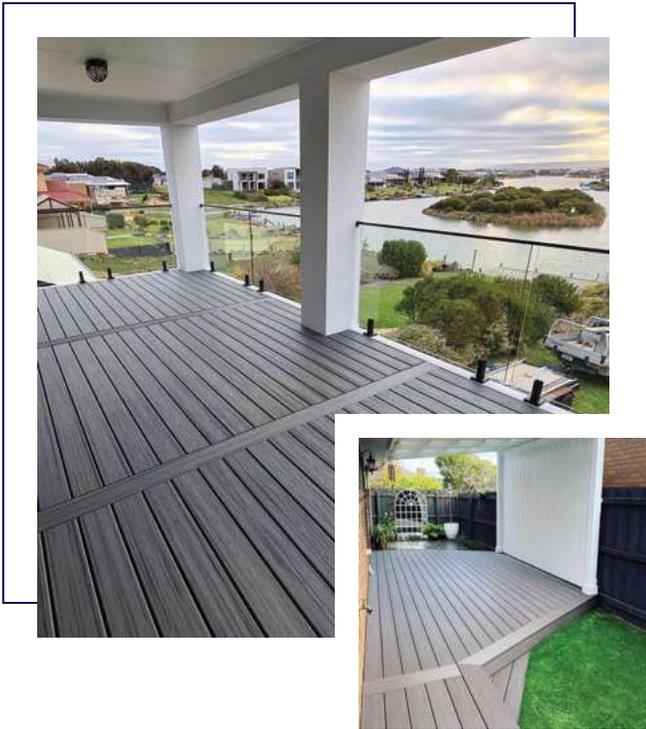

WELCOME TO VIZORX COMPOSITES

Purchase high quality composite WPC deck boards, fences, wall cladding and patio deck related accessories exclusively sold by VizorX. Our boards provide the extravagance of a beautiful deck while also encompassing the advantageous qualities of WPC.

WHY CHOOSE US?

We provide the best Service and Quality

- ✓ Made of high quality WPC, a combination of recycled wood fiber and thermoplastics that allow the boards to possess greater water, mildew & termite resistance, increased life spans and easier maintenance than general wood boards.
- ✓ Greater durability & strength than wood boards, are crack resistant, rotting & splitting resistant.
- ✓ Scratch, stain, fade, mold and water resistant.
- ✓ Extremely safe and non-hazardous. Are UV resistant and anti-slip.
- ✓ Affordable & low-cost
- ✓ Requires NO painting, Staining or glue.
- ✓ Bicolour - Two Colours on one board. It can be flipped over & used on the opposite side.
- ✓ Has a 3D embossed design on one side and a deep groove pattern on the other side.
- ✓ Environmentally friendly and fully recyclable. (made from 100% green material).
- ✓ Great weather tolerance, suitable in weather from -40° celsius to +60° celsius.
- ✓ Our products are EU, FSC International, ISO9001 Quality Management System, Intertek, and CE Certified.
- ✓ All our products comes with upto 20 Years Limited Warranty.
